In the Board's latest notice suspending this proceeding, dated December 15, 2006, the Board requested that the parties provide good cause for any continued suspension. U.S. Patent & TMO/TM Mail Rpt Dt #30

Recently, the parties have made substantial progress toward settlement. Written drafts of a settlement agreement exchanged between the parties reflect that numerous issues have been resolved, including, among other things, the scope of Applicant's use of the mark, the term of the agreement, financial consideration. The parties have yet to resolve issues related to their ongoing relationship and respective responsibilities in the event of litigation, and exhibit material on relevant domain names is being prepared. The parties expect to finalize discussions within the next month. This additional request for more time is necessary to allow Opposer and Applicant to further discuss settlement of this Opposition and this request is not made for the purpose of delay.

Counsel for The Hebrew University of Jerusalem, Randall Brater of Arent Fox, PLLC, agreed to this request for extension of time in an email to the undersigned on April 13, 2007.

This request is being submitted in triplicate pursuant to the applicable rules.

Respectfully submitted,

COOLEY GODWARD KRONISH LLP
